### Subpart A—General Provisions

#### § 2704.100 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504, provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before this Commission. An eligible party may receive an award when it prevails over the Department of Labor, Mine Safety and Health Administration (MSHA), unless the Secretary of Labor’s position in the proceeding was substantially justified or special circumstances make an award unjust. In addition to the foregoing ground of recovery, an eligible party may receive an award if the demand of the Secretary is substantially in excess of the decision of the Commission and unreasonable, unless the applicant party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust. The rules in this part describe the parties eligible for each type of award. They also explain how to apply for awards, and the procedures and standards that this Commission will use to make the awards.

[63 FR 63175, Nov. 12, 1998]

#### § 2704.101 Definitions.

The following terms shall have the following meaning when used in these rules:

*Adjudication Officer*, as defined in 5 U.S.C. 504(b)(1)(D), means the Commission’s administrative law judge who presided at the underlying adversary adjudication between the applicant and the Secretary of Labor. For the sake of clarity, references hereafter shall be to “administrative law judge”.

*The Act* means the Equal Access to Justice Act 5 U.S.C. 504;

*The Commission* means the Federal Mine Safety and Health Review Commission, created as an independent agency under 30 U.S.C. 823;

*The Mine Act* means the Federal Mine Safety and Health Act of 1977, 30 U.S.C. 801 *et seq*;

*The Secretary* means the Secretary of Labor or his designee.

#### § 2704.102 Applicability.

Section 2704.105(a) applies to adversary adjudications before the Commission pending or commenced on or after August 5, 1984. Section 2704.105(b) applies to adversary adjudications commenced on or after March 29, 1996.

[63 FR 63175, Nov. 12, 1998]

#### § 2704.103 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by this Commission. These are adjudications before the Commission arising under the Mine Act in which the position of the Secretary of Labor is represented by an attorney or other representative who enters an appearance and participates in the proceeding. For this Commission, the types of proceedings generally covered include:

(1) Contests of citations or orders issued under section 104 or 107 of the Mine Act (30 U.S.C. 814, 817);

(2) Contests of penalties proposed under section 105 (a) and (b) of the Mine Act (30 U.S.C. 815(a), (b));

(3) Challenges to claims of discrimination under section 105(c) of the Mine Act (30 U.S.C. 815(c)) where the Secretary of Labor represents the miner;

(b) The Commission may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating

the proceeding or designating the matter for hearing. The Commission's failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

**§ 2704.104 Eligibility of applicants.**

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term "party" is defined in 5 U.S.C. 551(3). The applicant must show that it satisfies the conditions of eligibility set out in this subpart and in subpart B.

(b) For purposes of awards under § 2704.105(a) for prevailing parties:

(1) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis;

(2) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part unless the administrative law judge determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the administrative law judge may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(3) An applicant who owns an unincorporated business will be considered as an "individual" rather than a "sole owner of an unincorporated business" if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(4) The types of eligible applicants are as follows:

(i) An individual with a net worth of not more than \$2 million;

(ii) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and employs not more than 500 employees;

(iii) Any other partnership, corporation, association, unit of local government, or public or private organization with a net worth of not more than \$7 million and not more than 500 employees.

(c) For the purposes of awards under § 2704.105(b), eligible applicants are small entities as defined in 5 U.S.C. 601, subject to the annual-receipts and number-of-employees standards as set forth by the Small Business Administration at 13 CFR Part 121.

(d) For the purpose of eligibility, the net worth, number of employees, or annual receipts of an applicant, as applicable, shall be determined as of the date the underlying proceeding was initiated under the Mine Act.

(e) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

[47 FR 10001, Mar. 9, 1982, as amended at 54 FR 6285, Feb. 9, 1989, 63 FR 63175, Nov. 12, 1998]

**§ 2704.105 Standards for awards.**

(a) A prevailing applicant may receive an award of fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Secretary was substantially justified. The position of the Secretary includes, in addition to the position taken by the Secretary in the adversary adjudication, the action or failure to act by the Secretary upon which the adversary adjudication is

based. The burden of proof that an award should not be made to a prevailing applicant because the Secretary's position was substantially justified is on the Secretary, who may avoid an award by showing that his position was reasonable in law and fact. An award will be reduced or denied if the applicant has unduly or unreasonably protracted the underlying proceeding or if special circumstances make the award unjust.

(b) If the demand of the Secretary is substantially in excess of the decision of the Commission and is unreasonable when compared with such decision, under the facts and circumstances of the case, the Commission shall award to an eligible applicant the fees and expenses related to defending against the excessive demand, unless the applicant has committed a willful violation of law or otherwise acted in bad faith or special circumstances make an award unjust. The burden of proof is on the applicant to establish that the Secretary's demand was substantially in excess of the Commission's decision; the Secretary may avoid an award by establishing that the demand was not unreasonable when compared to that decision. As used in this section, "demand" means the express demand of the Secretary which led to the adversary adjudication, but does not include a recitation by the Secretary of the maximum statutory penalty—

(1) In the administrative complaint, or

(2) Elsewhere when accompanied by an express demand for a lesser amount.

[63 FR 63176, Nov. 12, 1998]

#### **§ 2704.106 Allowable fees and expenses.**

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under this part may exceed \$125 per hour, except as provided in § 2704.107. No award to compensate an expert witness may exceed the highest rate at which the Secretary of Labor pays expert witnesses. However,

an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the administrative law judge shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the underlying proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case in the underlying proceeding.

[47 FR 10001, Mar. 9, 1982, as amended at 63 FR 63176, Nov. 12, 1998]

#### **§ 2704.107 Rulemaking on maximum rates for attorney's fees.**

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), attorney's fees may be awarded at a rate higher than \$125 per hour. Any such increase in the rate for attorney's fees will be made only upon a petition submitted by the applicant, pursuant to § 2704.201, and only if the administrative law judge determines, in his or her discretion, that it is justified. Any such adjustment in fees is subject to Commission review as specified in § 2704.308.

## **§ 2704.108**

(b) Any person may file with the Commission a petition for rulemaking to increase the maximum rate for attorney fees. The petition should identify the rate the petitioner believes the Commission should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Commission will respond to the petition within 60 days after it is filed, by initiating an informal rulemaking proceeding, denying the petition, or taking other appropriate action.

[47 FR 10001, Mar. 9, 1982, as amended at 63 FR 63176, Nov. 12, 1998]

### **§ 2704.108 Awards.**

If an applicant is entitled to an award under § 2704.105(a) or (b), the award shall be made by the Commission against the Department of Labor.

[63 FR 53176, Nov. 12, 1998]

### **§ 2704.109 Delegations of authority.**

The Commission retains authority to take final action on matters pertaining to the Equal Access to Justice Act in actions arising under the Mine Act. The Commission may, however, by order delegate authority to take final action on matters pertaining to the Equal Access to Justice Act in particular cases to other subordinate officials or bodies.

(a) An application for an award of fees and expenses under the Act shall be made to the Chief Administrative Law Judge of the Commission at 601 New Jersey Avenue, NW., Suite 9500, Washington, DC 20001. The application shall identify the applicant and the underlying proceeding for which an award is sought.

(b) The application shall state the amount of fees and expenses for which an award is sought. The application may also include a request that attor-

ney's fees be awarded at a rate higher than \$125 per hour because of an increase in the cost of living or other special factors.

(c) The application may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(d) The application should be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

(e) Upon receipt of an application, the Chief Administrative Law Judge shall immediately assign it for disposition to the administrative law judge who presided over the underlying Mine Act proceeding.

[63 FR 63176, Nov. 12, 1998, as amended at 67 FR 60863, Sept. 27, 2002]

### **§ 2704.202 Contents of application—where the applicant has prevailed.**

(a) An application for an award under § 2704.105(a) shall show that the applicant has prevailed in a significant and discrete substantive portion of the underlying proceeding and identify the position of the Department of Labor in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application also shall include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants including their affiliates, as described in § 2704.104(b)(2) of this part).

(c) Each applicant must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as described in § 2704.104(b)(2) of this part) when the underlying proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in

this part. The administrative law judge may require an applicant to file additional information to determine its eligibility for an award.

**§ 2704.203 Contents of application—where the Secretary's demand is substantially in excess of the judgment finally obtained and unreasonable.**

(a) An application for an award under § 2704.105(b) shall show that the Secretary's demand is substantially in excess of the decision of the Commission; the application shall further allege that the Secretary's demand is unreasonable when compared with the Commission's decision.

(b) The application shall show that the applicant is a small entity as defined in 5 U.S.C. 601(6), and the application must conform to the standards of the Small Business Administration at 13 CFR 121.201 for mining entities. The application shall include a statement of the applicant's annual receipts or number of employees, as applicable, in conformance with the requirements of 13 CFR 121.104 and 121.106. The application shall describe briefly the type and purpose of its organization or business.

**§ 2704.204 Confidential financial information.**

Ordinarily, the net-worth and annual-receipts exhibits will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of such exhibits and believes there are legal grounds for withholding the information from disclosure may submit that portion of the exhibit directly to the administrative law judge in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Secretary of

Labor against whom the applicant seeks an award, but need not be served on any other party to the proceeding. If the administrative law judge finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the established procedures under the Freedom of Information Act (29 CFR part 2702).

**§ 2704.205 Documentation of fees and expenses.**

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the underlying proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The administrative law judge may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

**§ 2704.206 When an application may be filed.**

(a) An application may be filed whenever the applicant has prevailed in the underlying proceeding or in a significant and discrete substantive portion of that proceeding. An application may also be filed when a demand by the Secretary is substantially in excess of the decision of the Commission and is unreasonable when compared with such decision. In no case may an application be filed later than 30 days after the Commission's final disposition of the underlying proceeding, or 30 days after issuance of a court judgment that is final and nonappealable in any Commission adjudication that has been appealed pursuant to section 106 of the Mine Act, 30 U.S.C. 816.

## **§ 2704.301**

(b) If review or reconsideration is sought or taken of a decision on the merits as to which an applicant has prevailed or has been subjected to a demand from the Secretary substantially in excess of the decision of the Commission and unreasonable when compared to that decision, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this part, final disposition before the Commission means the date on which a decision in the underlying proceeding on the merits becomes final under sections 105(d) and 113(d) of the Mine Act (30 U.S.C. 815(d), 823(d)).

### **Subpart C—Procedures for Considering Applications**

#### **§ 2704.301 Filing and service of documents.**

Any application for an award or other pleading or other document related to an application, including a petition for discretionary review, shall be filed and served on all parties in the same manner as pleadings in the underlying proceeding, except as provided in § 2704.202(b) for confidential financial information.

#### **§ 2704.302 Answer to application.**

(a) Within 30 days after service of an application, counsel representing the Secretary of Labor may file an answer to the application. Unless counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30-day period may be treated as a consent to the award requested.

(b) If counsel for the Secretary and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the administrative law judge upon request by counsel for the Secretary and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in sup-

port of the position of the Secretary of Labor. If the answer is based on any alleged facts not already in the record of the underlying proceeding, counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 2704.306 of this part.

#### **§ 2704.303 Reply.**

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 2704.306 of this part.

#### **§ 2704.304 Comments by other parties.**

Any party to a proceeding other than the applicant and counsel for the Secretary of Labor may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the administrative law judge determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

#### **§ 2704.305 Settlement.**

In the event that counsel for the Secretary and an applicant agree to settle an EAJA claim after an application has been filed with the Commission, the applicant shall timely notify the Commission of the settlement and request dismissal of the application.

[63 FR 63177, Nov. 12, 1998]

#### **§ 2704.306 Further proceedings on the application.**

(a) The determination of an award will be made on the basis of the record made during the proceeding for which fees and expenses are sought, except as provided in paragraphs (b) and (c) of this section.

(b) On request of either the applicant or the Secretary, or on the administrative law judge's own initiative, the judge may order further proceedings,

such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application and shall be conducted as promptly as possible.

(c) If the proceeding for which fees and expenses are sought was conceded by the Secretary on the merits, withdrawn by the Secretary, or otherwise settled before any of the merits were heard, the applicant and the Secretary may supplement the administrative record with affidavits or other documentary evidence.

(d) A request that the judge order further proceedings under this section shall specifically identify the information sought on the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

[54 FR 6286, Feb. 9, 1989]

#### **§ 2704.307 Decision of administrative law judge.**

The administrative law judge shall issue an initial decision on the application within 75 days after completion of proceedings on the application. In all decisions on applications, the administrative law judge shall include written findings and conclusions on the applicant's eligibility, and an explanation of the reasons for any difference between the amount requested and the amount awarded. As to applications filed pursuant to § 2704.105(a), the administrative law judge shall also include findings on the applicant's status as a prevailing party and whether the position of the Secretary was substantially justified; if at issue, the judge shall also make findings on whether the applicant unduly protracted or delayed the underlying proceeding or whether special circumstances make the award unjust. As to applications filed pursuant to § 2704.105(b), the administrative law judge shall include findings on whether the Secretary made a demand that is substantially in excess of the decision of the Commission and unreasonable

when compared with that decision; if at issue, the judge shall also make findings on whether the applicant has committed a willful violation of the law or otherwise acted in bad faith or whether special circumstances make the award unjust. Under either paragraph, the decision shall include, if at issue, detailed findings and conclusions on whether an increase in the cost of living or any other special factor justifies a higher fee than the \$125 per hour fee set forth in the statute. The initial decision by the administrative law judge shall become final 40 days after its issuance unless review by the Commission is ordered under § 2704.308 of this part.

[63 FR 63177, Nov. 12, 1998]

#### **§ 2704.308 Commission review.**

(a) Either the applicant or the Secretary of Labor may seek review by the Commission of the initial decision by the administrative law judge, but review shall be discretionary with the Commission.

(b) The party seeking review shall file a petition for discretionary review so as to be received by the Commission at 601 New Jersey Avenue, NW., Suite 9500, Washington, DC 20001 within 30 days of the issuance of the initial decision by the administrative law judge. Each issue in dispute shall be plainly and concisely stated, with supporting reasons set forth. Except for good cause shown, no issue not raised before the administrative law judge shall be set forth in the petition for discretionary review. Review by the Commission shall be granted only by affirmative vote of two of the Commissioners within 40 days of the issuance of the initial opinion, except that within 30 days after the issuance of the initial decision by the administrative law judge, two or more Commissioners may in their discretion order the case for review without the filing of a petition. The latter procedure shall be reserved for novel questions of law or policy, however.

(c) If review of the initial decision of the administrative law judge is granted by the Commission, the Commission shall, after allowing opportunity for presentation of views by opposing parties, review the case and issue its own

order affirming, modifying or vacating in whole or in part the initial decision or directing other appropriate relief.
